The term "banking system" refers to Scheduled Commercial Banks and Payments Banks. Banks (whether lending banks or otherwise) are required to monitor all Current Account, Overdraft, and Cash Credit accounts on a regular basis, at least on a half-yearly frequency. This monitoring must specifically consider the aggregate exposure of the banking system to the borrower vis-à-vis the individual bank's share in that exposure, in order to ensure compliance with the said instructions. Detailed guidelines are available in the aforementioned circular.
